

## **CyberPatriot VIII: Cisco Curriculum Units for Study**

Welcome to CyberPatriot VIII! We are excited that your team(s) are participating in this season's National Youth Cyber Defense Competition. This document outlines which units of the Cisco Content Course to focus on for each challenge in the competition.

Note that only Open and All Service Division teams have Cisco Networking Challenges. Information on accessing the Cisco Content Course can be found in the Cisco Networking Academy Access email sent to Coaches in October.
